5000 Highway 37 North
Libby, Montana 59923

I consent to officers, employees, contractors, and authorized representative of the U.S. Environmental Protection Agency (EPA) and/or the Montana Department of Environmental Quality (MDEQ) entering and having access to our property to collect eight composite soil samples. The purpose of the sample collection is to confirm that soil potentially contaminated with Libby Amphibole asbestos is covered with at least 12 inches of clean fill. Activities will be limited to:

- Eight composite soil samples will be collected from the locations shown in red on the enclosed figure.

I realize that these actions by EPA and MDEQ are undertaken pursuant to their response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation, and Liability Act as amended (Superfund), 42 U.S.C. 9601 et seq.

This written permission is given voluntarily with the knowledge of our right to refuse and without threats or promises of any kind.
